1. **Annual Inspection Due** – Performed Annual Propeller inspection referencing aircraft M.M. and 14 CFR 43 appendix D as a guide. Dressed propeller blades and touched up paint as necessary.
2. **Prop spinner removed FOM.** – Removed and reinstalled spinner for other maintenance.

I certify that this propeller has been inspected IAW an Annual inspection and found to be in an airworthy condition. With respect to the work performed, this propeller is approved for return to service. Details of work performed are on file with STL Flight Maintenance under work order: WO-2310-013.

Ron Brown Technician A&P IA 3443354

A handwritten signature in blue ink, appearing to read "Ron Brown", is written over the typed name.
