Mr. Michael Doris  
Reno FSDO  
Reno, NV

Dear Mr. Doris:

We request that IAR 823 N2087P be certified in the "Experimental -Exhibition" Category. This aircraft is a certified Romanian light aircraft using the Lycoming IO 540 engine, Hartzell propeller and other US components. This aircraft will be used for both static and flight demonstration exhibition during airshows, competitive meets, and other such events. The aircraft will be based at Carson City Airport.

A preliminary list of airshows follows (fax amendments in accordance with regulations will follow):

Watsonville, CA, May

El Toro MCAS, April

French Valley, CA, May

Santa Rosa, CA, June

Torrance, CA, July

Sun & Fun, Florida, April

Madera, CA, August

Carson City, NV August

Reno, NV, September

Corning, CA, September

Redding, CA, October

Sincerely,

James K. Wickersham  
President
